### BEARS ARE ACTIVE IN OUR COMMUNITY

Please Stash & Latch your trash! Bears are active in our local communities in Tillamook County due to a late berry bloom, unsecured garbage, birdseed, chickens, and livestock feed. For more information on how to be BearWise follow the link <https://bearwise.org/>

**CALL 8-1-1 BEFORE YOU DIG:** Even for things as seemingly minor as putting in a mailbox or installing a realty sign, call before you dig. Plan your project 3 or more days in advance to allow for all utilities to be located before starting any excavation project. Utility companies only locate within the public right of way (ROW). They will not locate and mark utilities on private property.
